Subject: FW: PFAS Acceptability letter for 4 products

Messina, Edward has shared a OneDrive for Business file with you. To view it, click the link below.

PFAS-free container acceptability letter for signature-clean.docx

Just a small heads up that we are approving Clarke's new containers as being free of PFAS and thus able to be used their Anvil 10+10 product. Will be signed at Branch Chief level. Let me know if you have any concerns.
